

## Lef's Talk Trash!

Saturday, June 18, 2022 9:00 am Meet at the home of Al & Jo Myatt <u>1735 Loma Linda Drive</u>

Let's walk and talk and beautify our neighborhood at the same time by picking up trash along our roads! Numerous pieces of escaped trash and beer cans have been noted on our roadways lately. We'll meet, divvy up routes, collect the trash and then meet again afterwards for refreshments back at Al & Jo's at 11:00.

We'll have courtesy rides throughout the morning as well as trash grabbing tools available for your convenience!

It'll be a great way to spend a Saturday morning getting together with your neighbors while doing a good deed.

Please join us!
