

## **Spraying Noxious Weeds or Mowing**

The following is a listing of businesses and folk who will do weed spraying on your property. This list is provided as a courtesy and is not an endorsement by the HOA but simply a list to help those who are looking for someone to spray their weeds. Please note that the HOA tries to provide this list as a courtesy and if a number changes or a business is not available, this list may not be updated in a timely fashion. If you as a resident know of another service, please email the HOA and we can update the list. We are all volunteers and may not update it immediately.
